

# The Dog and His Reflection

This dog is hungry.

The dog looked in a window.

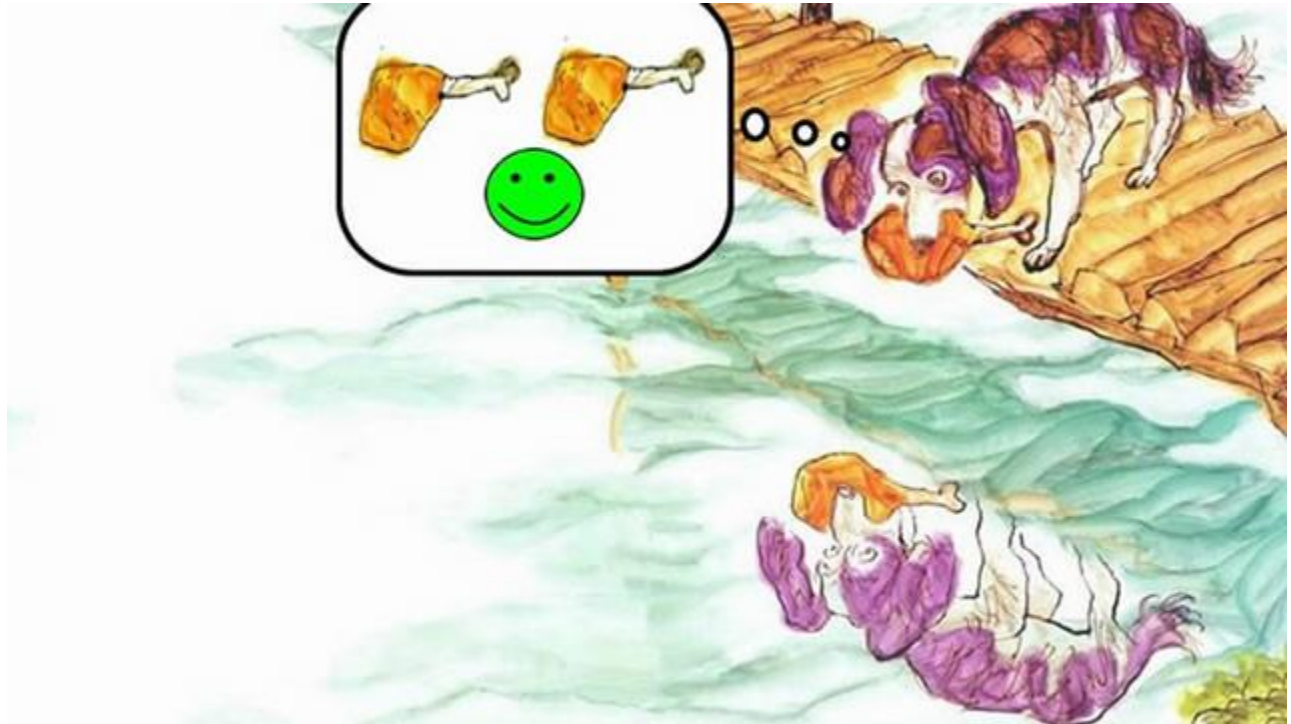

He saw the people have lots of food.

He grabbed a chicken leg.

Walking across a bridge, he looked in the water and saw a dog with a chicken leg.

The dog was selfish and wanted two chicken legs.

He jumped in the water and dropped his chicken leg.

The dog started getting sad and was hungry again.

MORAL

If you are greedy, you may lose what you have.
